**Tarrant Appraisal District Network Cabling Request for Proposals vendor question list 1.**

Below is a list of vendor questions in black text followed by TAD's responses in red text.

1. Is there currently any type of J-Hooks or Raceway for cable support?
   **No**

2. Is there a preferred color of cable, wall plates or Inserts?
   **Network Cable Color:**
       **CANNOT be white or blue**
       **All new cable provided by the vendor must be the same color.**

   **Wall Plates and Inserts Color:**
       **Wall plates and inserts are to match in color and match the color of the light switches and electrical outlets in the room.**

3. Does the NEW 4 post Server Rack need to be lockable and fully enclosed?
   **NO, this should be an open rack**

4. Is there a Brand Preference of Inserts, Cables, Patch Panels or Racks?
   **Inserts, Cables, and Patch Panels must be established brands in the industry which are of good standing and known to provide quality products.**

   **The Rack may be of any brand.**

5. Is the entire building LIFT OUT Ceiling?
   **YES**

6. For the Cubicle locations, is there currently Power Poles there for the Network cabling?
   **YES**
